Legal Counsel Turner noted an item for consideration arose after the posting of the agenda for this meeting; Agenda Item No. 6.E. should be amended to add consideration of adoption of Resolution No. 2020-05, which was distributed and posted to the website. 5. WORKSHOP DISCUSSION AGENDA
   A. SALTON SEA AUTHORITY | SALT MANAGEMENT STRATEGIES
      Phil Rosentrater, Salton Sea Authority General Manager/Executive Director provided the PowerPoint
      presentation contained in the agenda packet on pages 9 – 28. Commissioners voiced appreciation for
      the work of the Salton Sea Authority and applauded efforts in championing the importance of
      maintaining the Salton Sea.
      This item was for informational and discussion purposes; no action was taken on Agenda Item No. 5.A.

6. NEW BUSINESS
   A. OVERVIEW OF THE SANTA ANA RIVER TRAIL (CM#2020.18)
      Ian Achimore provided the PowerPoint presentation contained in the agenda packet on pages 35 – 52.
      Patricia Lock-Dawson, PLD Consulting, was in the audience and available to answer questions.
      SAWPA owns a small parcel west of Prado Dam and next to the Green River Golf Course, which is
      used to access the brine line. SAWPA is working closely with the Riverside County Regional Park &
      Open-Space District (District), the lead for that portion of the trail, on trail planning to ensure the trail
      does not impact SAWPA’s activities. The District is continuing the CEQA process; their construction
      project will not commence until 2022. Staff will present the District’s construction plans to the
      Commission mid-summer 2020. Commissioner Harrison voiced his frustration with the slow pace of
      trail construction and asked why there was a two-year gap between approval of the District’s
      environmental impact report (EIR) and construction. Achimore advised he would confirm the District’s
      construction schedule and report back to the Commission in mid-summer. Patricia Lock-Dawson noted
      that each change along the trail in turn changes the EIRs and working with the U.S. Army Corps of
      Engineers has been particularly challenging in this area. Commissioner Harrison confirmed staff have
      sought the involvement of local elected officials throughout the process and will continue to do so.
      This item was for informational and discussion purposes; no action was taken on Agenda Item No. 6.A.

   B. MEMORANDUM OF UNDERSTANDING (MOU) | SANTA ANA WATERSHED PROJECT
      AUTHORITY (SAWPA) AND WESTERN MUNICIPAL WATER DISTRICT (WMWD)
      (CM#2020.20)
      Carlos Quintero provided the PowerPoint presentation included in the agenda packet on pages 55 – 61.
      Chair Slawson called for motion.
MOVED, authorize the General Manager to execute the revised Memorandum of Understanding between the Santa Ana Watershed Project Authority (SAWPA) and Western Municipal Water District (WMWD) establishing the terms for the cost allocation of the SAWPA parking lot restoration.

Result: Adopted by Roll Call Vote (Unanimously)
Motion/Second: Dennstedt/Harrison
Ayes: Dennstedt, Harrison, Parker, Rowe, Slawson
Nays: None
Abstentions: None
Absent: None

C. SAWPA BUILDING RENOVATIONS | PHASE 2 (CM#2020.19)

Abstentions: None
Absent: None

D. STRATEGIC PLAN FACILITATOR CONSULTANT SERVICES AWARD OF CONTRACT (CM#2020.21)
Rich Haller provided the PowerPoint presentation included in the agenda packet on pages 83 – 90.
Haller advised this facilitation process could take place primarily virtually to accommodate the current COVID-19 restrictions, should the Commission so desire. Jeffery Szytel, Water Systems Consulting, Inc., briefly reviewed the strategic plan process and which portions would be conducted virtually.
Regarding the top four firms interviewed, a discussion ensued regarding process of the initial evaluation, subsequent interview process, cost consideration including range of proposals received, and location of submitting firms. Commissioners Dennstedt and Harrison voiced their desire that the facilitation process primarily take place via in-person meetings.

It was the consensus of the Commission this is not a critical task in light of current events and requested this be brought back to the Commission in thirty days for consideration. Future consideration should include a summary of all submitted proposals, an outline of the criteria-based scoring, including costs, how individual companies were scored based on that criteria, and final scoring in comparison with other companies.
MOVED, direct staff to bring execution of an agreement for services with Water Systems Consulting, Inc. for Strategic Plan Facilitator Consultant Services back to the Commission for consideration during the second meeting in April 2020.

Result: Adopted by Roll Call Vote (Unanimously)
Motion/Second: Dennstedt/Harrison
Ayes: Dennstedt, Harrison, Parker, Rowe, Slawson

E. COVID-19 | DISCUSSION AND POSSIBLE ACTION
Rich Haller briefly outlined Resolution No. 2020-05 which would declare emergency conditions exist and authorize the General Manager to take actions necessary in response to the COVID-19 pandemic. Commissioner Harrison moved approval of Resolution No. 2020-05. Commissioner Dennstedt stated SAWPA should take care of its employees during this time which would be inclusive of staff experiencing symptoms, staff who have come in contact with someone experiencing symptoms, staff who are at home caring for children due to closed schools and daycare, and staff who are at home caring for family members who are at-risk or have compromised immune systems. COMMISSION MEMORANDUM NO. 2020.22

DATE: April 7, 2020

TO: SAWPA Commission

SUBJECT: Regulatory Support | Basin Monitoring Program Task Force | Middle Santa Ana River Pathogen TMDL Task Force | Emerging Constituents Program Task Force

PREPARED BY: Mark Norton, Water Resources & Planning Manager

RECOMMENDATION

It is recommended that the Commission authorize the General Manager to execute the following:

1. Agreement for Services by and between Kahn Soares & Conway and SAWPA; and,
2. Task Order KSC374-01 with Kahn Soares & Conway in the amount not to exceed $93,293.60 for the remainder of FY19-20 and for FY 20-21, to provide strategic and regulatory support for the Basin Monitoring Program Task Force; and,
3. Task Order KSC384-01 with Kahn Soares & Conway in the amount not to exceed $108,156.50 for the remainder of FY 19-20 and for FY 20-21, to provide strategic and regulatory support for the Middle Santa Ana River Pathogen TMDL Task Force; and,
4. Task Order KSC392-01 with Kahn Soares & Conway in the amount not to exceed $46,410.00 for the remainder of FY19-20 and for FY20-21 to provide strategic and regulatory support for the Emerging Constituents Program Task Force.

DISCUSSION

On March 16th, Tess Dunham of Somach Simmons & Dunn announced to SAWPA staff that she was transitioning from Somach Simmons & Dunn over to a new firm, Kahn Soares & Conway effective March 31, 2020. Tess Dunham has supported both the Basin Monitoring Program Task Force and the Middle Santa Ana River Pathogen TMDL Task Force as the regulatory advisor since her agreement for services and task orders were approved by the SAWPA Commission on August 14, 2019. Ms. Dunham was originally selected through a competitive RFP process and was unanimously supported and recommended by the Task Force to support the Task Force for FY 19-20 and FY 20-21. Ms. Dunham replaced Tim Moore of Risk Sciences who has now semi-retired and is providing limited support to SAWPA.

Ms. Dunham indicated that the reason for this firm change was that with her role as more of a regulatory advisor as opposed to a legal advisor, her previous firm and she felt this transition would be a better fit for providing those services. She has also worked out an agreement with her new firm that all her fees/hour provided to SAWPA for the future work will remain the same fee/hour as what they were with Somach Simmons & Dunn.
The transition of Risk Sciences to Tess Dunham was also discussed with the EC Program Task Force on Feb. 18, 2020 as part of the preparations of the FY20-21 Budget and the Task Force supported recommending the hiring of Tess Dunham to support the task force. Since an EC Program Task Force meeting was planned with her involvement in May or June 2020, the task order reflects a combined FY19-21 scope and costs.

A new Agreement for Services and new task orders with Tess Dunham’s new firm, Kahn Soares & Conway, have been prepared for the SAWPA Commission’s consideration and approval.

BACKGROUND
In March 2019, Tim Moore of Risk Sciences announced to SAWPA and the SAWPA task forces that he would be retiring on July 1, 2020. He suggested that the most qualified consultant to replace him and support the SAWPA task forces might be Theresa (Tess) Dunham of Somach Simmons and Dunn. Mr. Moore has worked extensively with Ms. Dunham in the Central Valley Salts management program and other forums. Upon review of this recommendation, the task forces agreed that it would be best to prepare a Request for Qualifications for Risk Sciences replacement to ensure an open, competitive and fair evaluation of all potential succeeding firms. It was suggested by Mr. Moore that for FY 19-20 a consultant be brought on to work part time supporting Mr. Moore in his efforts and to allow Mr. Moore to pass on institutional knowledge about each task force to the incoming firm before entering the regulatory strategist and facilitator role full time in FY 20-21. The task forces agreed that approach made the most sense.

In May 2019 an RFQ was issued by SAWPA and four firms responded. The four firms were interviewed on June 25, 2019 by a panel composed of representatives from three task forces, SAWPA staff as well as the Regional Board upper management. Based on the recommendations of the interview panels and support of the respective task forces, the SAWPA Commission approved a new agreement and task orders spanning two years on August 12, 2019.

The Lake Elsinore and Canyon Lake TMDL Task Force also approved an Agreement for Services and task order with Ms. Dunham, but that agreement and task orders spanning two years was also approved by the Lake Elsinore and San Jacinto Watersheds Authority on August 12th.
CRITICAL SUCCESS FACTORS

- SAWPA has a strong reputation as a watershed-wide, knowledgeable, neutral and trusted facilitator, leader, and administrator of contracted activities.
- Goals, scope, costs, resources, timelines, and the contract term are approved by the Commission before executing an agreement to participate in a roundtable group.
- Report and use results of roundtable’s work, leverage information and involvement for the benefit of SAWPA, its members, and other stakeholders.
- Adequate professional staff and resources to effectively provide facilitation, management, administrative and technical support to collaborative work efforts.

RESOURCE IMPACTS

Sufficient funding has been budgeted by the Basin Monitoring Program Task Force, Middle Santa Ana River TMDL Task Force and Emerging Constituents Program Task Force for the FY 19-20 fiscal year. This work is also included in the FY20-21 Budgets for the Basin Monitoring Program Task Force, Middle Santa Ana River TMDL Task Force and Emerging Constituents Program Task Force.

Task Force – Regulatory Support

- In Jan. 2019, Tim Moore of Risk Sciences announced his retirement effective July 1, 2020 for most task forces.

- Tim suggested part time transitional support of another consultant for FY 19-20 to supplement his support, gain institutional and regulatory background and then transition to full support of task forces in FY 20-21.

- Task Forces requested SAWPA issue an RFQ to determine potential firms who can conduct similar support to task forces.
Proposals from four firms received and interview panel formed consisting of three members from task forces affected, Regional Board Deputy Director, and SAWPA staff.

Committee was unanimous in support of Theresa (Tess) Dunham of Somach Simmons & Dunn to undertake regulatory strategist/facilitator to all task forces.

In Aug. 2019 Commission approved new task orders to support task forces for FY 19-21. All task forces had recommended support of contracts with Tess Dunham of Somach Simmons & Dunn.
Task Force – Regulatory Support

On March 16, 2020, Tess Dunham informed SAWPA that she was transitioning to a new firm, Kahn Soares & Conway (KSC) effective March 31, 2020.

This firm change is more reflective of her role as a regulatory advisor as opposed to a legal counsel and both Ms. Dunham and her previous firm agreed that this transition would be a better fit for providing those services.

Ms. Dunham fees through June 2021 remain the same as previous firm.

Task Forces recommended approval of new agreement with KSC for Ms. Dunham’s support.
Recommendation

That the Commission authorize the General Manager to execute the following:

- Agreement for Services with Kahn Soares & Conway and SAWPA;
- Task Order KSC374-01 with Kahn Soares & Conway in the amount not to exceed $93,293.60 for the remainder of FY19-20 and for FY 20-21, to provide strategic and regulatory support for the Basin Monitoring Program Task Force; and,

11.01 This Agreement supersedes any and all previous agreements, either oral or written, between the parties hereto with respect to the rendering of services by Consultant for SAWPA and contains all of the covenants and agreements between the parties with respect to the rendering of such services in any manner whatsoever. Any modification of this Agreement will be effective only if it is in writing signed by both parties.

11.02 Consultant shall not assign or otherwise transfer any rights or interest in this Agreement without the prior written consent of SAWPA. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.

Arbitration shall be conducted by a neutral, impartial arbitration service that the parties mutually agree upon, in accordance with its rules and procedures. The arbitrator must decide each and every dispute in accordance with the laws of the State of California, and all other applicable laws. Unless the parties stipulate to the contrary prior to the appointment of the arbitrator, all disputes shall first be submitted to non-binding mediation conducted by a neutral, impartial mediation service that the parties mutually agree upon, in accordance with its rules and procedures.

11.07 During the performance of the Agreement, Consultant and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status and denial of family care leave. Consultant and its subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Consultant and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12290 et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). Consultant and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. Consultant shall include the non-discrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.
